**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to retain broadband competition for the same reasons that we need competition in business
- or even sports!

Competition, as you know, breeds innovation, experimentation, invention, creativity, and
efficiency.

My only other option for internet service is Centurylink. Their service is terrible. Their customer
service is almost none existent. When you finally are able to speak to customer service their English
is so poor that you cannot understand what they are saying.

Keep the competition!!!!
